

CODE OF BEHAVIOUR

The behaviour and discipline policy of Loreto Secondary School, Balbriggan is determined by the Board of Management in collaboration with staff, students and parents in the context of the school's aims and values. It is an integral part of a positive school ethos where learning and development can take place.

Parental co-operation is considered fundamental to the implementation of the school's policy. By enrolling their children in the school parents indicate agreement with the aims and ethos of the school. This code applies to all school activities.

RESPECT AND COURTESY

The quality of relationships depends to a large degree on respect for each other, on courtesy and good manners.

- Students should treat each other and all members of school staff with respect and courtesy.
- All members of staff should be addressed and responded to in the appropriate way.
- Students are expected to take direction and instruction from all members of staff.

ATTENDANCE

Pupils are expected to maximise attendance in order to make the best use of the opportunities available.

- Attendance at school is a legal requirement in accordance with the Education (Welfare) Act 2000. Students must attend school each day between 9.10 a.m. and 4 p.m. Under the Education Welfare Act, we are obliged to report absences aggregating 20 days to the Education Welfare Board. Following illness, relevant doctor's certificates should be furnished.
- If a student forgets to register she is marked absent for the day. It is her responsibility to rectify her record by using the Attendance Verification Form.
- If for any reason a student has to leave school early, written permission from parent or guardian must be given beforehand in her journal. The journal must be presented to the office by 9.10 a.m.
- Students must remain on the school premises at lunchtime. This does not apply to:
 - 6th Year students
 - Students who have a lunchtime pass. A lunchtime pass is only given to those who live a short distance from the school and who have written permission from a parent/guardian.
- No student may absent herself from class. Anyone feeling unwell should report to the office. The school secretary may telephone home to seek parent's permission for the student to go home or the student will return to class as directed by the parent.
- Attendance at all school activities, including those outside school premises, is expected for those involved.
- Attendance at detention is compulsory for all those concerned.
- **A transition year student who is absent for 20 days or more without medical certification will not graduate at the end of the year.**

PUNCTUALITY

Punctuality is essential to school life as it leads to a better learning environment for all.

- Students must go from class to class without delay.
- Lockers may only be visited before 9.10 a.m. and at official breaks, unless otherwise indicated by a teacher.

CORRESPONDENCE

Communication with parents is essential to the effective running of the school.

- From time to time students will receive newsletters/letters from school. Letters addressed to parents/guardians should not be opened by students and should be delivered promptly.
- Communication by telephone between students and parents/guardians must be made through the school office and not on personal mobile phones. Should a student use her mobile to call, text or communicate, she will be sanctioned with a detention.
- Parents/guardians and students should make frequent reference to the school website www.loretoalbriggan.ie.

STUDENT MOBILE PHONE POLICY

While Loreto Balbriggan accepts that it is a student's right to have a mobile phone, the following policy aims to maintain a safe, nurturing environment where the personal dignity and rights of all the members of the school community are preserved.

- In order to assist the school in implementing this policy, parents/guardians are asked not to contact students by mobile at any time during the school day. Contact with the school may be made through the office at 01-8411594 and students are directed to use the school telephone if needed.
- Where a student brings a mobile to school, the phone must be powered off (unheard and unseen) whilst on the school campus or representing the school at extra curricular events and may not be used for any purpose on the school premises unless otherwise directed by a teacher.
- Students found in contravention of the above will have their phone and sim card confiscated until the end of the next school day. The phone will be returned on submission of a signed parental acknowledgement. On the second and every subsequent occasion the phone and the sim card will be confiscated until the end of the next school day and a detention will apply.
- When a student's phone is confiscated the parent/guardian will be contacted before the end of the school day to notify them that their daughter has had her phone confiscated.
- No photographs may be taken or recordings (video or audio) made with mobile phones. Using phones in such a way can seriously infringe on people's rights.
- The school reserves the right to view the contents of the confiscated mobile phone, in the presence of the pupil, to ensure it contains no images or information which might compromise any member of the school community. Any photographs or recordings taken in the school building, on the school grounds or during any school activity, in or outside the school may be removed before the phone is returned.

- Students participating in school related activities (e.g. study, extra-curricular activities, school trips, tours and all school events) must abide by the mobile phone rules governing these activities. On these occasions students are permitted to take suitable photographs and recordings, with permission, however students AND VISITORS should be ethically and morally mindful of posting on social media and of keeping in-line with privacy laws.
- Incidents where students use mobile phones to bully other students will be treated as serious breaches of discipline. It should be noted that it is a criminal offence to use a mobile phone to menace, harass or offend another person. As such, the school will consider it appropriate to involve the Gardaí in such incidents.
- The school accepts no responsibility for loss, theft or damage to mobile phones on the premises. The safety and security of mobile phones is wholly a matter for students/parents.
- It is strongly advised that students use passwords to ensure that unauthorised phone calls or texts cannot be made on their phones.
- Failure to hand over a mobile phone when requested will result in a suspension.

The definition of ‘misuse’ is at the principal’s discretion.

Please note that this policy is subject to ongoing review – the most recent policy is available on the school’s website.

MOBILE PHONE ACCEPTABLE USE POLICY

I agree to follow the mobile phone/device usage rules and will cooperate to maintain a safe, secure environment for all to work within.

INAPPROPRIATE BEHAVIOUR

Breaches of the Code of Behaviour cause disruption. It is the responsibility of the school authorities to provide an environment which is supportive of the learning of every student. Strategies for dealing with misconduct focus on the behaviour, not the person, as the problem. The strategies are used to help all students appreciate and benefit from a positive learning environment.

- Littering
- Use of bad language

Note: Persistent mis-conduct will be treated as a serious breach of school discipline.

SANCTIONS AND PROCEDURES FOR DEALING WITH MISCONDUCT

SANCTIONS

The purpose of a sanction is to bring about a change in behaviour by helping students to learn that their behaviour is unacceptable. It helps to recognise the effects of their actions and behaviour on others, to learn to take responsibility for their behaviour and to realise that they have choices and that all actions have consequences.

A sanction may also help to reinforce the boundaries set out in the Code of Behaviour, and to signal to other students and staff that their well-being is being protected.

PROCEDURES FOR DEALING WITH MISCONDUCT

Outlined below are the procedures for dealing with misconduct. At any stage the Principal/Deputy Principal may be consulted and participate in the process.

1. Misconduct will be dealt with by the class teacher in the first instance – reasoning with student, reprimand (including advice on how to improve), extra homework.
2. A note to parents may be written in homework journal. A discipline sheet may be given to the form teacher.
3. Repeated misbehaviour will result in referral to the Form Teacher
4. Persistent or serious misbehaviour will be reported to the Year Head
5. A student may be put on report. This report is used to monitor closely her attendance, behaviour and/or work effort.
6. If a student is consistently disruptive in a particular class, she may be suspended from that class for up to a week, to allow other students to progress with their work. The student involved will be supervised.
7. When one major offence or five minor offences have been recorded the pupil will be assigned a detention.
8. Detention will take place on a Tuesday afternoon from 4.15 – 5.15 p.m. Parents will be informed of this in writing in advance to enable them to make any necessary travel arrangement

9. After the second consecutive detention or otherwise on the third non-consecutive detention:

- (a) Principal or Deputy-Principal will be informed
- (b) Pupil will meet Deputy-Principal, Form Teacher and/or Year Head

Suspension may also occur at this stage at the discretion of the Principal.

10. In the event of a serious breach of discipline the process of sanctions may start at stage nine.

11. Suspension from class may occur when a pupil has been uncooperative, disrespectful or consistently disruptive.

12. Suspension from school can be imposed at the discretion of the Principal/Board of Management.

INTERVENTIONS

The following interventions may be used to assist students and to give specific help to those who find it particularly difficult to uphold the Code of Behaviour. We do so in consultation with their parents/guardians.

- Interview between students and member of staff, usually Form Teacher.
- Referral to a Guidance Counsellor or Chaplain.
- Referral by the school to an outside agency for assistance in behaviour modification.
